A safari perfect for kids

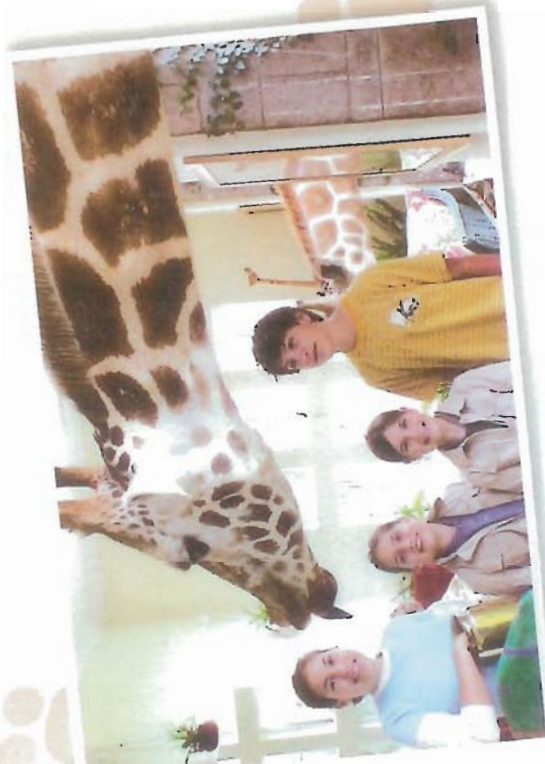

Maniango Safaris' hand-picked local guides add colour, spectacle and rich traditional culture, while trekking or driving through the bush. Guides, including Masai Warriors, are selected for their rich African personalities, their love of children and their ability to light the spark of

imagination in little ones. The whole family will quickly feel it has adopted a new member. With years of folklore, storytelling and a solid knowledge of the bush, animals and tribes, your guides offer a journey where parents can relax, confident that the kids will have a great time. Exploring The Masai

Mara (one of the world's richest game reserves), Mount Kenya, the fabulous Kenyan beaches and Africa's greatest wilderness - the Serengeti - means no-one goes home without a sense of having had an adventure. Days are tailor-made from dawn to dusk to match children's ages, interests and levels of concentration.

- Lots more that kids love:
- Luxury Tented camps surrounded by wildlife. (Each tent has its own Masai guard)
 - Hippos wallow in the lake right in front of Little Governors Camp
 - Visiting the David Sheldrick Foundation. They get to stroke and cuddle the orphan elephants and at Giraffe Manor they can feed the endangered Rothschild Giraffe.
